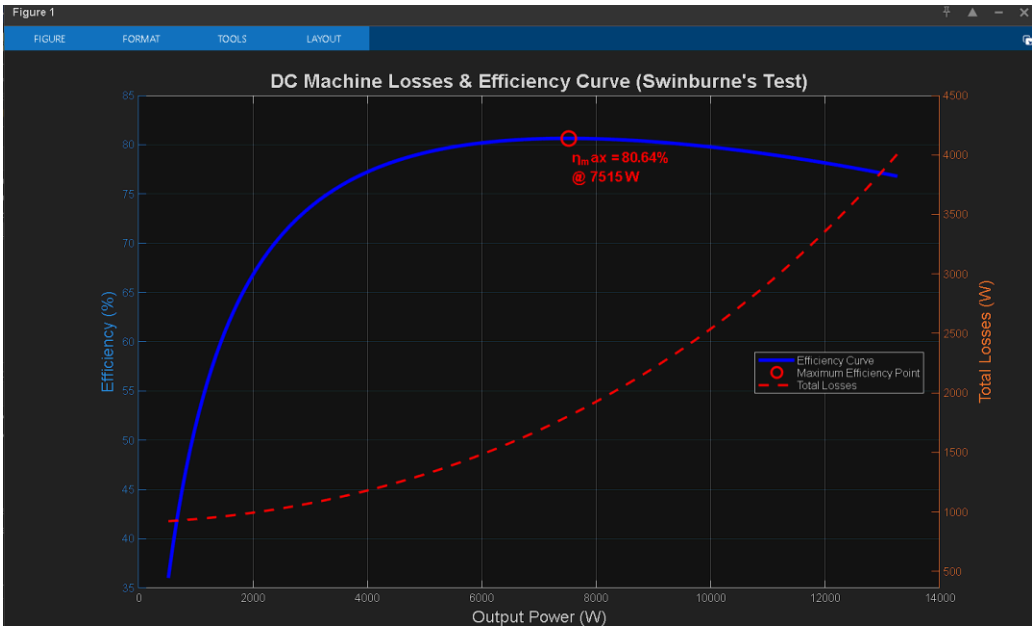
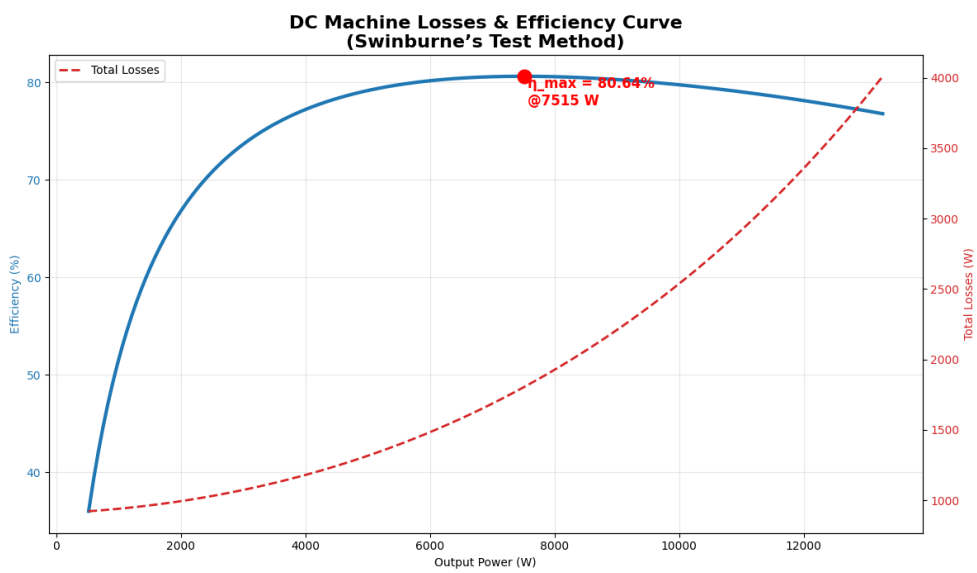
ELECTRICAL MACHINE

COMPARISION REPORT OF PYTHON VS MATLAB

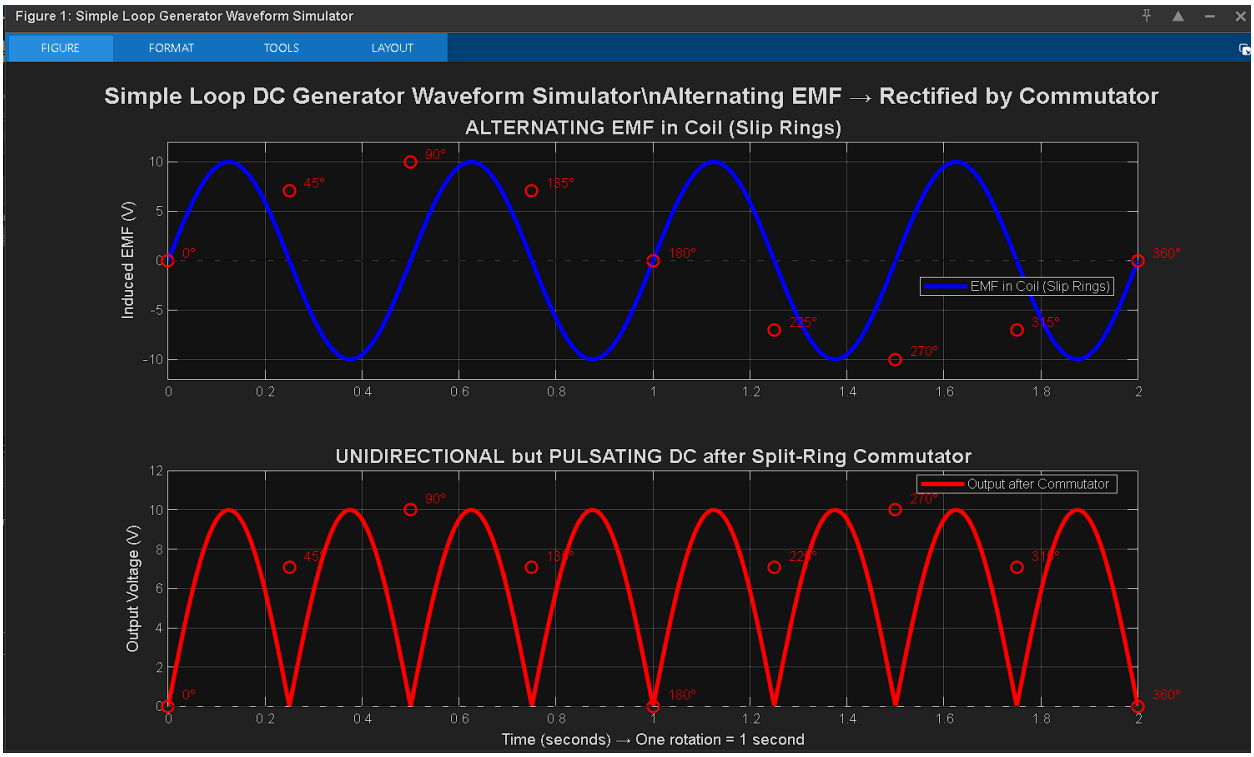
1.) DC_Loss_efficiency : MATLAB VS PYTHON

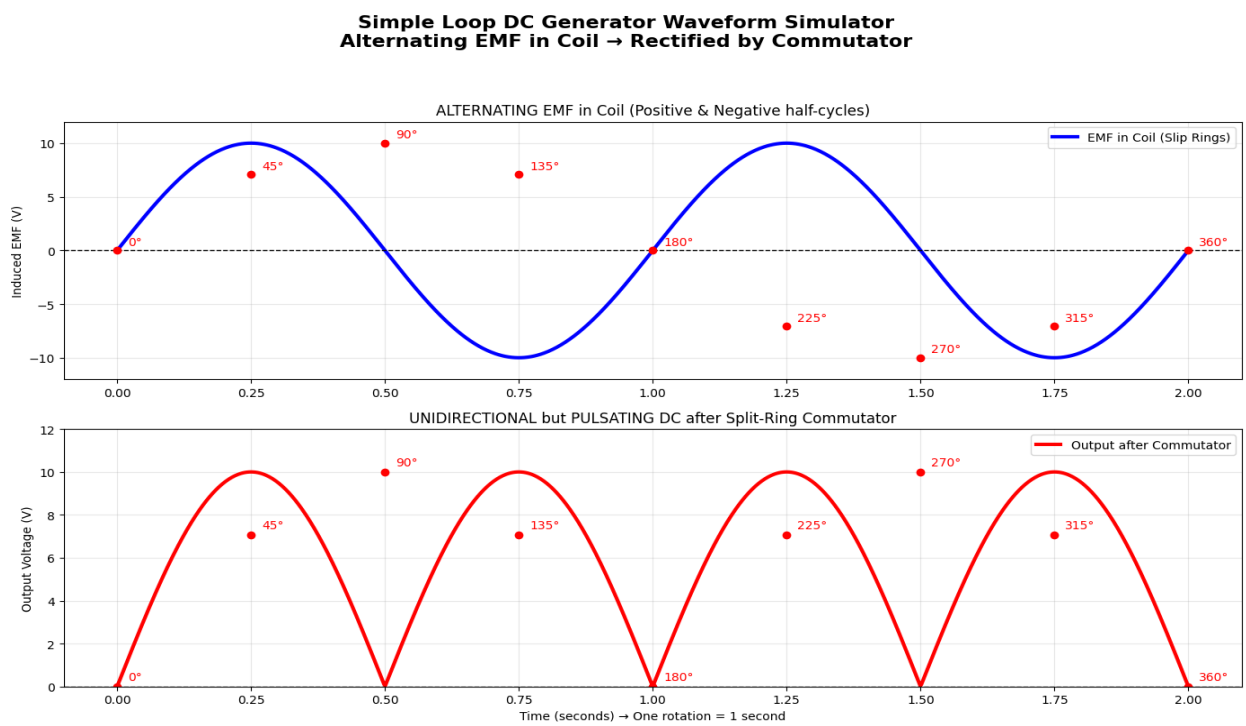




Above shown both the diagram of DC_Loss_efficiency in Python and matlab are co-relating with each other and are same.

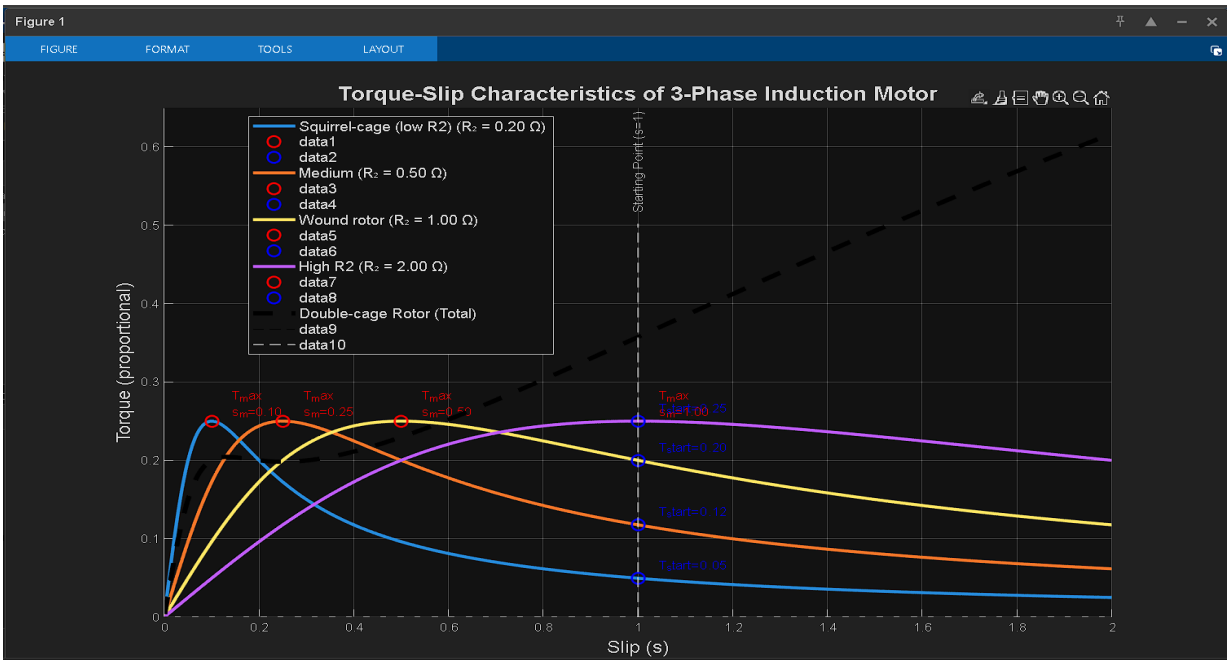
2.) Loop_generator_wave : MATLAB VS PYTHON

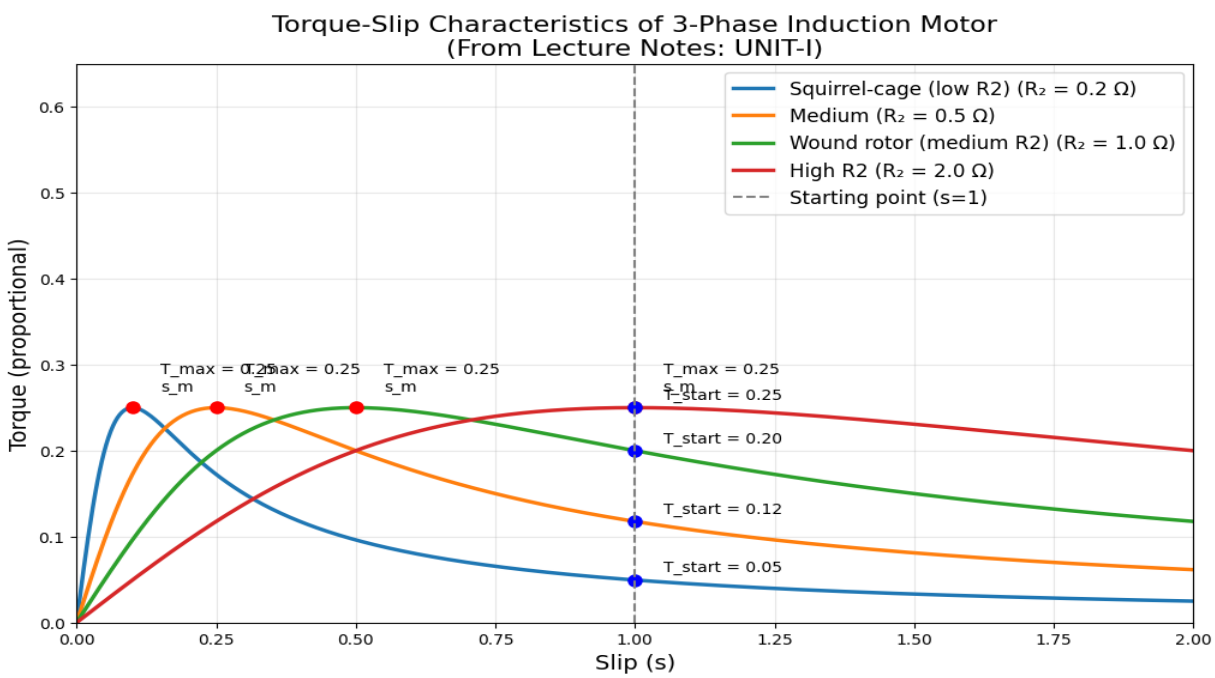




Above shown both the diagram of Loop_generator_wave in Python and matlab are co-relating with each other and are same.

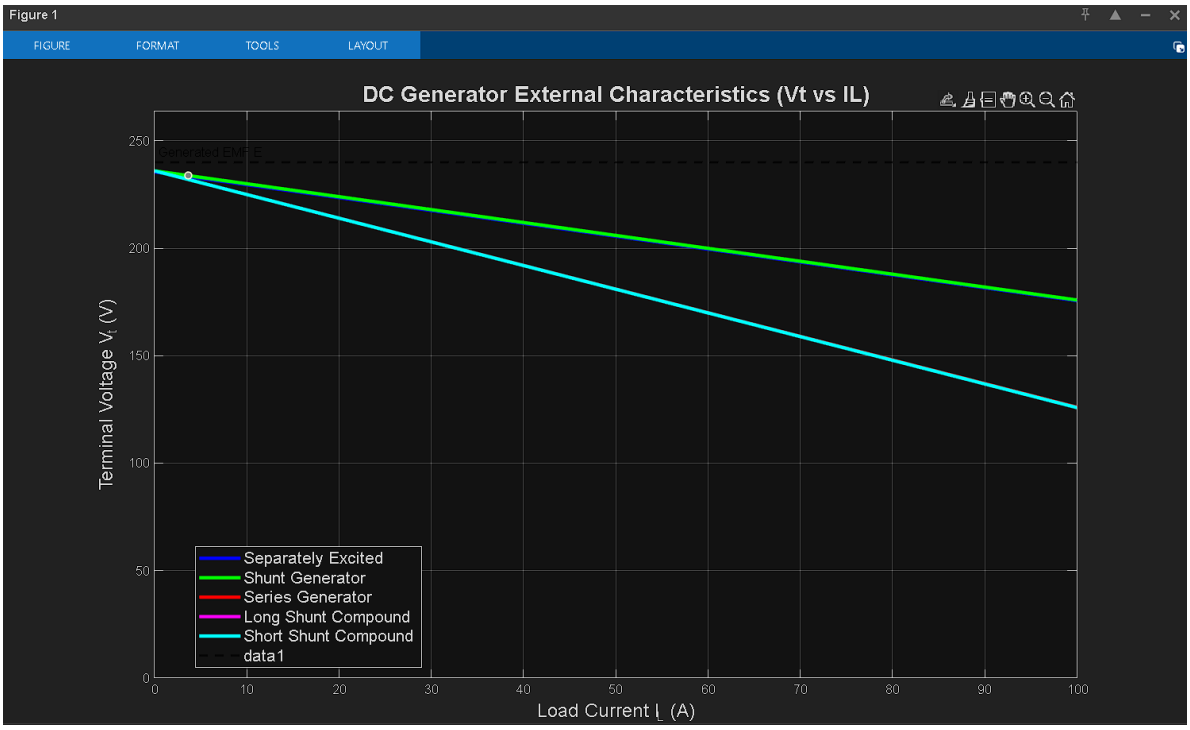
3.) Torque_Slip : MATLAB VS PYTHON

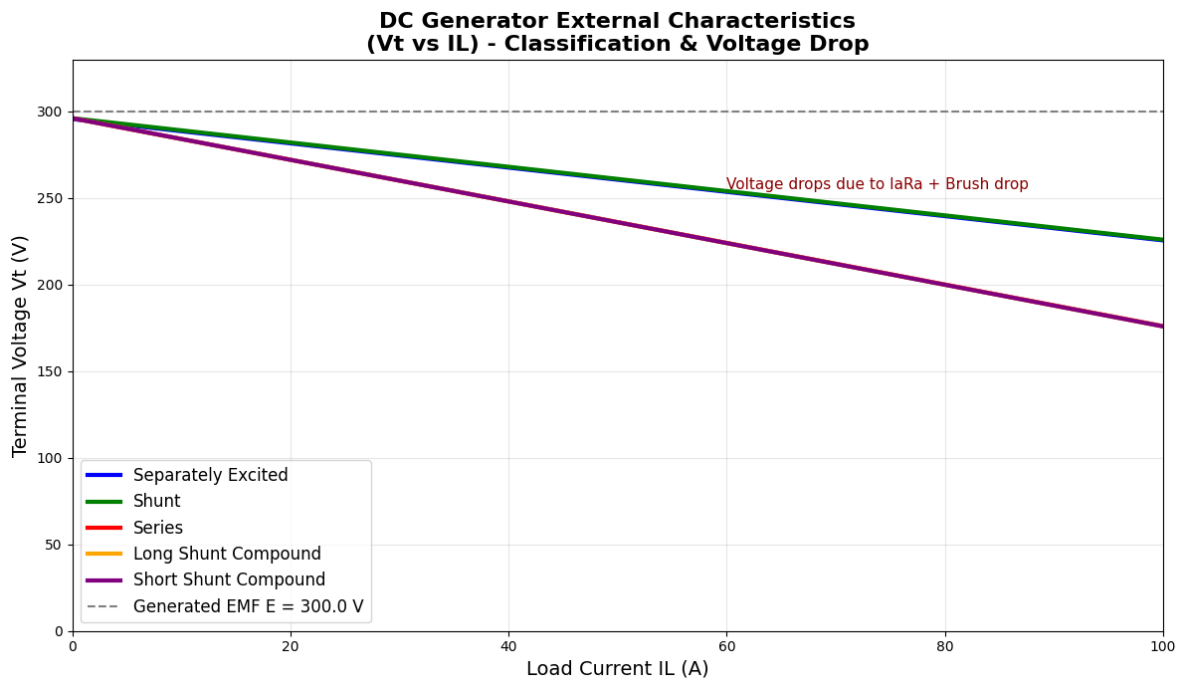




Above shown both the diagram of Torque Slip in Python and matlab are co-relating with each other and are same.

4.) voltage&current : MATLAB VS PYTHON





Above shown both the diagram for VOLTAGE & CURRENT in Python and MATLAB are co-relating with each other and are same.
